### Small Schools Cross Country

Our students love to attend the Small Schools Cross Country held every year at Berrima Public School. Students have been training for most of the term, both at school and at home. The training has paid off. The school came third in the overall trophy and second in the handicap.

Thomas Gillis flew into first place in the Under 12/13s; Lilly-Beth came in second place in the Under 10s; May came third in the Under 11’s; Mischa came 4th in the Under 7s; while Amelie came 6th place in the Under 10s.

Well done Penrose. Thomas, Lilly and May are off now to the next level (District).

The children had a lot of fun and laughs participating in the ball games. Thank you to all the parents who came to support the children on the day.

### Tips To Succeed At School

**Tip#10: Let them play outdoors**

Contact with nature during middle childhood in particular helps children to manage their stress, according to research from the University of Western Australia. Climbing trees and playing in mud will also assist with their executive function.

### NEWS FLASH

**Relieving Principal For Term 2**

We are very pleased to be able to announce that the relieving Principal’s position for Penrose School for term two has been filled through the EOI (expression of interest) process. We welcome Jenelle Lawrence to our school and given the opportunity I am sure you will all make her feel welcome and introduce yourself to her.
In its 125th year Penrose Public School encourages confidence, responsibility, awareness and adventure.

NRL Workshop Days
Zak thought the NRL workshops at our school were fun and crazy. We learnt many ball skills used in NRL, such as a dummie pass (a fake pass to make the opposition think the ball has been passed over), how to get the ball off the opponent and other general passes played in the game. The man who came to show us was very nice.

Reminders From The Office
- Please bring a school hat to wear during play. A new order of hats is on the way if you need to purchase one at a cost of $15 each.
- Please ensure that all permission notes and monies have been handed in for the following:
  - Fruito
  - Textbooks
  - Update of Family details
- Don’t forget to do your homework and hand it in on time.

Tips To Succeed At School
Tip#14: Insist on family time
Research show children—teenagers in particular, who spend large chunks of time with their parents have higher levels of self-esteem and confidence than those who don’t. Set regular family activities keep communication open.

Penrose Students Questioned
By Police

Flynn told the Kareela that the policeman showed us his gun, chili spray and cane. He explained to us how many bullets he had (a whole 15) and why he has the chili spray.

All the students were introduced to Mr. Penguin, who talked about safety and who we can trust. The list of people we can trust includes: mum/dad, nan/ pop, the police, teachers, fire brigade and trustworthy friend.

Mr Penguin told us that if a stranger offers you money and lollies to come with them we must say, “No” loudly, “I don’t know you” and walk away.

Wet lunchtimes spent in the classroom. Luca catching up on some class work while others like to horse around or play on the computers.
