Dear Parents,

Penrose School has been assessed as being at high risk in the event of bushfire and has been placed on the Department’s Bushfire Register for the 2014-2015 bushfire season. This means that if a catastrophic fire danger rating is issued for this area, the school will be required to cease operations for the day(s) that the catastrophic fire danger rating is put in place.

As part of our Bushfire Emergency Plan we require you to give us your up to date contact numbers and an indication of the best way to contact you should a bushfire emergency occur e.g. email or SMS.

A copy of our Bushfire Emergency Plan is attached. Please read carefully and place where highly visible.

Could you please also indicate if you would be able to help with evacuation of students, should the need arise. You would need to be home most days and live close to the school.
